Product highlights

Charge AA and AAA
The charger is designed to charge AA and AAA batteries.

Charge in pairs
The charger is designed to charge two or four batteries at the same time.

Reversed polarity protection
It allows you to make safe and easy use of your charger because the charger is designed to prevent batteries from being charged and damaged when inserted the wrong way.

Timer controlled
The built-in safety timer stops the charger when the batteries are full. This prolongs the life of your batteries by preventing the damage caused by overcharging.
